PARTNERS

ABOUT MOSONIE-SEF

MOSONiE SEF is a Non-Profit Organization led by a group of young and passionate women committed to work for the marginalized and underserved community in Northeast India. The name MOSONiE is derived from a Mao tribal word from the state of Manipur meaning “commonwealth” which means “Less of yours and mine but more of ours”.

MOSONiE SEF is based at Pillangkata Village, Ri-Bhoi, Meghalaya. MOSONiE SEF represents “a small drop in the world’s need for shared responsible human initiative, contributing to a friendly environment to Create, Recreate and Rejuvenate the Resources around us”. The organization was officially incorporated on 8th September 2016, under Section 8 of the Companies Act, 2013. Established for the purpose of Peoples Corporate/Shared development and common Wealth, MOSONiE functions without regard to race, gender, nationality and political or religious affiliation. MOSONiE believes in the potentials of each individual to reflect the image of God, dignity that is inherent in every person, the importance of the quality of human life and reviving the best in the natural world for the beneficial co-existence of all creatures.

Our Vision

MOSONiE SEF envisions creating a SMART North East India” by

Vision Statement

By SMART MOSONiE-SEF means, SMART we mean “Sustainably Managed livelihoods for the most marginalized, underserved and unreached sections of the community who can add to the economic and wellbeing of rural areas in Northeast India.

By RT,MOSONiE-SEF envisions Rejuvenated biodiversity of the region which can be transformed into opportunities for livelihoods conserving environment and enriching biodiversity.

Our Mission

To create, recreate and rejuvenate the resources and bring about socio Economic transformation in North East India for the most marginalized and underserved communities.

Our Reach (2022-2023)

Umling- 30 Villages

Jirang- 50 Villages

Bhoiryngbong -4 Villages

Umsning- 2

Our focus areas

Health care and Hygiene

Sustainable livelihood

Environment and protection of natural resources

Education- Library for School

Awareness on Menstrual Hygiene Management and distribution of reusable Sanitary pads:

MOSONiE-SEF has been creating awareness on Menstrual Hygiene Management among the women and adolescents' girls in the schools and in the community. IEC materials were developed, printed and distributed among the women as well as adolescents. During last year 800 plus free reusable sanitary pads were distributed among the rural women and adolescent girls.

Covid-19 Vaccination Drive

As there was need and gaps in the COVID-19 vaccination in the district and state as a whole, In the second wave of Covid -19, MOSONiE-SEF came forward to work in

collaboration with the District Health Department in COVID-19 Vaccination drive targeting the remotest villages with low rate of vaccination in one of the health blocks- in Jirang, Ri-Bhoi, Meghalaya. The targeted villages are hard to reach areas with poor road conditions especially during monsoon. The project area consists of zero vaccination village clusters which is due to remoteness and inaccessible road conditions from the respective CHC and also inaccessible vaccination camps from the villages. Unavailability of public transport and extremely high cost of transportation has been acting as a deterrent factor for the respective CHC to reach those zero vaccinated and extremely low vaccination villages. In collaboration with Patharkhmah CHC supported by Azim Premji Foundation, MOSONiE SEF create awareness on Covid vaccination and carry out vaccination drive cum mass awareness and sensitization on covid-19 , home to home awareness and household data collection in 37 villages under Jirang Block of Ri-Bhoi District, Meghalaya.

Awareness on Mental Health

Health is an important aspect MOSONiE-SEF focussed area. In collaboration with District Mental Health Nongpoh Awareness on Mental Health was organized at Umtrynga Village on 30th January 2023. The aim of objective was to make the community aware about the importance of mental health as well as physical health. Ms. Daphilarisa a Psychiatrist from DMHP, Nongpoh was the resource person. she spoke on the importance of Mental Health and Mental Illness, signs and symptoms, common types and prevention and treatment of mental illness. Participants from the neighbouring villages were attended during the awareness program.

Enhancing livelihood through Black pepper cultivation

Last year MOSONiE Socio-Economic Foundation received an Incubation Grant for the Project Soh-Marit (Black pepper for sustainable livelihood) from IDeA-the ant Organization. The main aim of the project is to support the marginal farmers, so that it can rebuild the livelihoods activities through black pepper cultivation. MOSONiE-SEF selected two villages i.e Nongspung-A and Timbokgre Village in Umling Block, Ri-Bhoi, Meghalaya where 40 farmers or households were covered under this initiative. The key achievements of the project are:

- We conducted Participatory learning methods (PALMS) exercises.
 - Base line survey was conducted in two selected villages where 80 households were covered during the survey.
 - 30 farmers/households were identified.
 - Organized farmers consultation meeting for the farmers.
-

- Organized Farmers exposure visit to Resource Institute.

One day capacity building training on Backyard poultry rearing and Management was organized by MOSONiE-SEF in collaboration with Retd. Professor Kirshna Sharma, from College of Veterinary and Science, Khanapara. He was also the resource person during the training. The training was held on 12th December 2022 at MOSONiE-SEF Office Latakata. Farmers from three villages namely Behenanodi, Nongspung-A, Nongthymmai and Chibra Villagers participated during the training besides, 250 free chicks were distributed to farmers.

PROTECTION OF NATURAL RESOURCES AND ENVIRONMENT

To mitigate climate changes, adaption and protect the natural under the initiative of Environment, MOSONiE-SEF in collaboration with Goonj Organization provided different fruit saplings in 4 Villages in Jirang Block of Ri-Bhoi District, Meghalaya. **In observance of World Environment Day MOSONiE-SEF organized tree plantation drive on 6th June 2022.** The plantation drive was carried out along with the teachers and students from the two school namely Patharkhmah Government Higher Secondary School and Umkynshier Government UP School. Teachers, students and youths were actively participated during the plantation drive.

Different varieties of fruit sapling such as Guava, Lemon, Gooseberry, orange, banana, Plum, peach Mango and Jack fruit were distributed to 48 farmers.

Clean Energy-Building sustainable energy eco system through clean energy solutions

The project started in the year 2017 with 3 end-users by providing basic solar home lighting system as a demo the system in Jirang and Umling Block, Ri-Bhoi District, Meghalaya. The 3 Basic home lighting systems comprises of 3 lights (3 & 5 Watt), 1 DC table fan, mobile charging point, 60AH Battery and 75 WP was installed in 3 villages namely, Jolsyiem, Umlathu and Jorbil Village. Till now a total of 138 home lighting systems and 56 livelihood solutions were installed in 3 blocks namely Jirang, Umling and Bhoiryngbong of Ri-Bhoi District, Meghalaya. The project was supported by SELCO Foundation

Last year we focussed on livelihood solutions where in which different livelihood solutions such as Integrated solar powered water pump(piggery), Eri spinning machine, LSK, eatery (solar powering bakery) and Pitha making, lighting of poultry farm (street light) were installed in Jirang and Bhoiryngbong block. Here MOSONiE-SEF play a role of services provider where end-users were linked to Meghalaya Rural Bank (MRB) for availing loan for their system so that the end-users can purchase the system and earn income through these activities. The installation was done by Envo Renewable Energy Services Pvt.Ltd (ERES) and Soltech Solar (OPC) Pvt.Ltd in collaboration with SELCO Foundation.

Key achievements during the year:

- Carried out awareness on Clean Energy in 4 blocks (Jirang, Umling, Bhoiryngbong and Unsning) Ri-Bhoi District, Meghalaya.
 - Organized Capacity building training on eri-spinning machine for demo machine
 - Conducted Need Assessment with the end-users
 - Eco system building with MSRLS, District Sericulture Department, Central silk board
 - Women cross learning exposure visit at Eri silk cluster at Bhoiryngbong
 - Linking end users to the bank for loan
-

MOSONiE- SEF INTERNS

MOSONiE-SEF provides internship to students from various university within the state as well as outside. Last year students from Azim Premji University, Assam Don Bosco University and University of Science and Technology Meghalaya did their internship and Concurrent field work at MOSONiE-SEF. Students are engaged with the communities by conducting different activities like survey, PRA exercise, case study on Eri- silk rearing of the project on Clean Energy. Besidese that other relevant project and activities were also carried by the interns.

OTHER ACTIVITIES

CLOTH FOR WORK INITIATIVE (CFW)

CFW initiative was started in August 2022 in 3 villages in Umling Block, Ri-Bhoi District, Meghalaya with the support of Goonj Organization. The main objective of the initiative is to let the communities participate in carrying out the developmental activities which will be beneficial to their own communities or villages. In this initiative 1 or 2 members from each household participated in during the activities for two days. After completion of the two days' work, each family received a family package as a gift. Under CFW initiative different activities such as repairing roads, cleaning the unused well or pond, developing water harvesting system by digging the well, making bamboo toilet, bathroom, dustbin and fencing in the public area, ICDS Centre, drainage or sanitation, fencing, installation of bamboo dustbin, kitchen garden, Bamboo toilet etc were carried out by the communities. Village leaders such as Headman, Secretary, Youth, ASHAs or AWW Workers were actively participated. This year MOSONiE-SEF distributed 850 bags of family packages or gifts.

distributed in 15 far flung remote villages in Jirang and Umling Block of Ri-Bhoi District, Meghalaya.

LIBRARY FOR SCHOOLS

Free books for library use were given in two schools namely St.Peter School and Patharkhmah Higher Secondary School in Jirang the books includes story books,Urban,Handwriting ,Encyclopedia and Dictionary and Picture dictionary books were given for library used.the books were donated by GOONJ.

DISTRIBUTION OF COMMUNITY HEALTH KIT TO ASHAs

In collaboration with GOONJ MOSONI-SEF took extra initiative and by distributing community Health kit among the ASHAs. A kit containing a set of drugs /materials like ORS, Paracetamol and Digital Thermometer etc)were distributed to the ASHAs in order to help the service more responsive and sensitize the needs of the community. since most of the villagers are far from the health care centre.it will enable the ASHA /Community Health worker on basic health care level in the community during sickness in case of medical emergency such as common cold, Diarrhea, Headache or fever etc.

RCRC HOUSEHOLDS SURVEY

RCRC Households Survey research was carried out by MOSONiE-SEF in the month of April 2022 in Jirang Block, Ri-Bhoi-District, Meghalaya. The main objective of the survey was to understand the post Covid impact on livelihood. The survey was conducted to 300 households in 20 Villages in Jirang, Ri-Bhoi District, Meghalaya.

DISTRIBUTED WALKING STICK

During the year MTeam carry out community home based services to the Aged persons. MOSONiE-SEF provided a walking stick to the aged at Timbokgre Village, Umling Block, Ri-Bhoi District Meghalaya, The walking stick was supported by Young Indians Guwahati Chapter.

TEAM EXPOSURE VISIT

As part of the organization capacity building One-day exposure visit was organized for MOSONiE-SEF team to Diya Foundation, Loharghat, Assam on 21st September 2022.
